

REMARKS

The claims have been preliminarily amended in order to remove multiple dependencies and to more clearly define the full scope of the claimed invention. New claim 11, directed to a process for producing a disposable tissue, and new claim 12, directed to a disposable tissue produced by the method, have been added. An abstract has also been provided.

Respectfully submitted,

September 22, 2005

Date

A handwritten signature in cursive script, reading "Michael M. Gerardi", written over a horizontal line.
